APG and HSF invite you to a 4 School Coffee in honor of past, current and future volunteers. Please join us to learn the different ways you can get involved, meet other parents who have participated in the various positions and connect with parents who have similar interests.

We are proud to showcase HSF Garage. This is an excellent opportunity to exchange, donate or purchase items for your children. Are you looking for lightly used Yosemite gear? How about formal wear –blue blazer, cotillion or spring dresses, dress shoes? These and many other items will be available on site on the 15<sup>th</sup>.

Donated items can be dropped off at each school site anytime on Monday, 2/14, and at the Crocker Library on the day of the Coffee. All proceeds benefit our schools.
